Global solidarity simply means the effectiveness of the weak force of gravity at holding the planet together. Other than that, it is political jargon, political correctness, or just simple buzzwords used by people with an agenda attempting to confuse a particular subject with useless information to make other people think they know what they are talking about.

What is global solidarity? - Quora
Global Solidarity. "Solidarity is action on behalf of the one human family, calling us to help overcome the divisions in our world. Solidarity binds the rich to the poor. It makes the free zealous for the cause of the oppressed. It drives the comfortable and secure to take risks for the victims of tyranny and war.

Global Solidarity - OCSJM
The Global Solidarity Project believes that in a global economy, unions and workers must come together across borders. Every day we build international partnerships among labor leaders and scholars and conduct key research to improve labor standards and working conditions throughout the world. Multinational corporations know no boundaries and can dodge labor and environmental regulations.

Global Solidarity We are on a path toward environmental and economic collapse of an order of magnitude even greater than what we have now begun to experience. Earth Day Is Here. Mother Earth Is Pissed.

**Global Solidarity | Reimagine!**
Solidarity then need not be, as many argue, a function of charitable inclination, or emergent from an acknowledgment of injustice suffered, but may in fact serve national and transnational interests. We conclude on a positive note: global solidarity may be conceptualized to helpfully address global health inequity, to the extent that personal and transnational interdependence are enough to motivate national governments into action.
